

Long Livo

Starbucks Dole Whip Refresher

5 min Prep time	**5 min** Total time	**2** Servings
Easy Difficulty	**American** Cuisine	**Beverage** Course

Ingredients

Base

- [ ] 1 cup pineapple juice
- [ ] 1 tablespoon fresh lemon juice
- [ ] 1/2 teaspoon vanilla extract
- [ ] 1 cup ice cubes

Creamy Swirl

- [ ] 1/2 cup chilled coconut milk
- [ ] 1 teaspoon simple syrup (optional)

Instructions

1. In a blender, combine pineapple juice, lemon juice, vanilla extract, and ice. Blend on high until the mixture is smooth and slushy.
2. Taste the slush; if you prefer a sweeter drink, add a teaspoon of simple syrup and blend briefly.
3. In a small bowl, whisk the chilled coconut milk until slightly thickened; this will become the creamy ribbon.
4. Divide the pineapple slush into two glasses, then gently drizzle the coconut milk over the top, allowing it to swirl naturally.
5. Garnish with a thin slice of pineapple or a sprig of mint, serve immediately, and enjoy the cool breeze of flavor.

Tips & notes

- For an extra tropical feel, add a few fresh basil leaves.
- If you like a stronger citrus note, increase lemon juice by half a teaspoon.
- Serve in chilled glasses to keep the slush from melting too quickly.
